Dear Laura E. Sinram,

This letter is in regards to our July 31 Mid-Year (1/1/2009 - 6/30/09).

At the time of filing the July, 2009 Mid-Year report, some donors who contributed more than \$200 in a calendar year did not disclose all of the required personal information. Therefore, I submitted a Miscellaneous Electronic Submission, which was a detailed description of our procedures for requesting the information and demonstrating that we have used 'best efforts' to obtain the required information.

Your recent preliminary review letter, prompted a review of the Mid-Year donor information. I sent out additional stand alone requests, which are not required to establish 'best efforts' for any missing information. Some donors have graciously volunteered the information and responded to my request for information.

Also, Americans for Legal Immigration PAC has recently completed a fundraising drive so that data may contain additional information about previous donors.

Since I have made changes to some donor data due to the receipt of new information, I will submit amendments to reports dating back to July 31, 2007 Mid-Year on or before our next regularly scheduled reporting date.

Sincerely,

Jane Patterson
Treasurer
